## Appreciation Note

NANGLOK Consultancy is one of the fastest growing organizations in the field of Web-based products, systems and solutions.

A web consultant company building brands through Digital Marketing. Search Engine Optimization & Social Media Management.

We happen to take the Annual Maintenance Service from S K Cooling Services for our residence. We had previously given the job to some other company who's services was not upto mark.

Must say G.S.Rao and their team worked efficiently and diligently and provided good service to us. The team was available to us when needed to help for AC maintenance. Service received from them was remarkable and exceptional.

G.S.Rao and his team have got Exceptional knowledge.

We would definitely recommend Mr. G.S.Rao of 'S K Cooling Services' for exceptional service provided by them.
